HELENGELI ISLAND, NORTH MALE ATOLL, THE MALDIVES

YOUR VERY OWN TROPICAL ISLAND BLISS...

An exhilarating 50-minute speedboat ride from Male' International Airport lies Helengeli Island. Currently entering its final phase of construction, Oblu is set to launch on **November 01st 2015**; 114 villas showcasing contemporary tropical Maldivian interiors carefully designed around the natural aesthetics of the island itself. Flavour our exceptional and diverse world cuisine, water sports with unique diving experiences, and indulge in luxurious spa treatments. OBlu by Amosphere offers guests a uniquely Maldivian Resort experience, together with fantastic value for money!

Helengeli Island has had an incredible reputation for its unique house-reef just meters from the shoreline. Together with the island's close proximity to a vast channel, and several different entry points just off the island reef - it attracts a fantastic array of marine life, corals and fish throughout the year! It is indeed a diver's paradise!
